December 2020

“2020 is about to end and it's time we look back at our achievements and work even harder,,

ICRI is a well-known brand when it comes to quality education in the field of Clinical Research, Healthcare Management, Logistics and Aviation. It is with proud that we announce that we were awarded as The Best Institute of 2020 in the field of Clinical Research, Logistics and Aviation by Saksham Education Awards in the month of October 2020.

We have been awarded multiple times for our contribution in such futuristic industries. With a pan-India presence and association with leading institutions in India, we focus on futuristic industries that are specifically designed to make students job-ready.

ICRI

Awarded As the Best Institute of 2020

Awards and recognition are just a part of the journey where we are working hard towards bridging the gap between the industry and the academia in new age courses. For us, the ability to train the students with industry-exposure is always the priority.

2020 has been a year of ups and downs for everyone across the globe but what we learned during this pandemic is that life goes on. ICRI wishes you a Merry Christmas and a very Happy New Year.
